In re Application of :  
Mu-Lin Chen :  
Application No. 09/781,246 : **ON PETITION**  
Filed: February 13, 2001 :  
For: RATCHET WRENCH :

This is a decision on the renewed petition under the unintentional provisions of 37 CFR 1.137(b), filed January 29, 2007, to revive the above-identified application.

The petition is again **DISMISSED**.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Director may require additional information. See MPEP 711.03(c)(II)(C) and (D). The instant petition lacks item (3).

In the petition submitted on January 29, 2007, petitioner should clarify the statement that the inventor was "uninformed as how to check its status." Additionally, petitioner should supply the dates that Mr. Chen became ill and the nature of his illness, and when did Mr. Chen recovery to sufficiently seek assistance in prosecuting this case.
